

Where To Go For Help With Housing Discrimination

The City of Altoona's Fair Housing Office provides educational information and outreach programs to tenants, landlords, lending institutions, housing managers, contractors and anyone in the housing business regarding the Federal Fair Housing Laws.

The Fair Housing Program is committed to raising the level of awareness to the residents and businesses of the City of Altoona with respect to their rights and responsibilities under the Federal Fair Housing Act.

There are various time limits for filing complaints and/or lawsuits depending upon the applicable law, so it is important to report the discrimination as soon as possible. Contact the City of Altoona's Fair Housing Office for help in determining the time limits that apply in your situation.
