

Utility Right-of-Way Inspector

The City of Altoona is actively seeking qualified candidates to fulfill the new position of Utility/Right-of-Way Inspector in the Public Works Department. Qualified applicants will possess an Associate's Degree in Engineering or construction-related field with at least three (3) years in a supervisory or management role. Applicants are also required to have a minimum of five (5) years of experience in highway, building, utility or bridge construction, inspection or design. Effective communication skills and the ability to develop and maintain professional relationships, along with the ability to read and interpret assigned civil engineering plans, maps, and specifications are essential to the position.

The City of Altoona offers full-time employees a comprehensive benefit compensation package including a competitive salary; health, dental, vision, and life insurance; paid time off; and retirement options.

To apply, applicants should submit a resume, letter of interest, and three (3) professional references to the Human Resources Department of City Hall at 1301 12th Street, Suite 301, Altoona, PA 16601. For more information either call (814) 949-2418 please visit the "Employment Opportunities" link on the City's homepage at www.altoonapa.gov.
