The City of Altoona will consider the following amendments to the 2011 Community Development Block Grant (CDBG) Program at the City Council meeting scheduled for Wednesday, August 22, 2012 at 7:00 P.M., City of Altoona Training Facilities and Council Chambers, 1320 Washington Avenue, Altoona, PA 16601.

The purpose of the proposed amendments is to adjust the 2011 CDBG Program Budgets for program income from the amount that was projected at the beginning of the program year to the amount that has been actually received by the close of the program year. The 2011 Program Year covered the period of July 1, 2011 to June 30, 2012. Single Family Home Rehabilitation Program project is a revolving loan account and all income received under this project (\$218,143.68) must be returned to the Single Family Homeowner Rehabilitation Program. All other income received is distributed among other projects. The City estimated receiving \$255,000.00 from the EDLF Program when putting together the 2011 Program Year. The City actually received \$200,289.34 from various projects but did not meet the \$255,000.00 estimate. Total adjustment of \$54,710.66 to the 2011 Program Year must be made for the shortfall of funds.
