The City encourages participation on housing and community development needs prior to preparation/update of the Emergency Solutions Grant by all citizens, organizations and other interested parties. Participation and involvement is especially recommended for lower income residents and residents of community development and urban renewal areas. The City will provide, upon request, technical assistance to citizens and citizen organizations that represent persons of low and moderate income. Assistance may include special informational meetings, meetings with technical advisors, requested information, assistance with preparing a project request and completing the application form or any such assistance necessary to aid in understanding and participation. Citizens who wish to review information obtained by the City for the development of the Emergency Solutions Grant may do so by contacting the City. Meetings held to develop or discuss the documents are open to the public pursuant to the Pennsylvania Sunshine Act and citizens may attend or request a copy of the summary of a meeting. If you are unable to attend the community public hearings and wish to comment, or if you wish to obtain a project application form, please contact the City, at the address or phone numbers shown below, for assistance. Comments can be made at any time, in person, by phone, FAX or mail.

All meetings are held in locations that are accessible to persons with disabilities. Upon request, the City of Altoona will accommodate the needs of participants with hearing or visual impairments and non-English speaking participants who identify those needs in advance. Information will be made available upon request in large print, on audio tape or in Braille. Please contact the City at the address or phone numbers shown below. The City will respond to all written complaints within 15 days, when practicable.
