INSTRUCTIONS FOR COMPLETING APPLICATION

- Only a Master Plumber can file for a permit
- **Plumbing Permits must be obtained PRIOR to work being started.** This procedure will prevent the occurrence of being ready for inspection without a permit. This is also a requirement of the PA Uniform Construction Code
- The plumber is responsible for supplying the correct address and owner/contact name on the application; also, for insuring the building will be open for the inspector. The inspector will not locate and return keys. The plumber may leave and later obtain a properly-tagged key
- This form may be mailed together with the proper fee (payable to City of Altoona) to: City of Altoona Department of Codes and Inspections, 1301 12th Street Suite 104, Altoona PA 16601. The Plumbing Permit will be returned to you following payment
- Plumbers may contact the Plumbing Inspector directly at (814) 949-2461. The inspector is usually in the office from 8:30 a.m. until 9:30 a.m. and then from 3:30 p.m. to 4:30 p.m. If the Inspector is not available and you need immediate assistance, please contact the office directly (814) 949-2456
- In any repair work, excluding emergencies, in which the extent of repairs may be in question, contact the Plumbing Inspector before starting the work
- It is the plumber's responsibility to notify the Plumbing Inspector 24 hours prior to any inspections including but not limited to: Underground, Rough-in, Final
