

## **Highway Superintendent**

The City of Altoona is seeking a qualified person to serve as Highway Superintendent in the Department of Public Works. The successful candidate will oversee the maintenance of City roads and streets, parks, public buildings, grounds, and other City Property, as well as fleet maintenance and employees of the City's Highway Yard. Requirements of this position include the development of paving, road maintenance, equipment replacement programs, and storm sewer projects, coordination of seasonal activities, and participating in budget preparation.

The successful applicant must have a thorough understanding of practices and procedures related to road and street construction and maintenance; knowledge of equipment and safety precautions when working on public roads and streets; as well as regulations and requirements applicable to municipal public works operations. The ability to plan, schedule, and supervise the work of others as well as exercise independent judgment and discretion is essential.

The ideal candidate should have at least five (5) years experience in the maintenance, construction, and repair of roads and streets including storm sewer, paving, and concrete work; at least two (2) years of work involving planning, scheduling, and budgeting; and at least two (2) years supervising the work of others. A valid state drivers' license is also required.

**RESIDENCY REQUIREMENT:** The successful candidate must become and remain a resident of the City of Altoona within six (6) months after appointment to the position. The salary range for the position is \$45,000 to \$50,000, depending on qualifications; excellent fringe benefits. Submit resume and three (3) work-related references to: Personnel Director, City of Altoona, City Hall, 1301-12<sup>th</sup> Street, Altoona, PA 16601-2491.
