For Immediate Release

March 27, 2020

Linda Rickens Schellhammer, City Clerk/Public Information Officer; lrickens@altoonapa.gov

Parks and Social Distancing

The City of Altoona Emergency Management Team wants to help City residents stay safe.

With more free time over the next few weeks, and nicer weather, outdoor recreation is becoming more popular. Parks, playgrounds, and trails are open in the City of Altoona. Parents are asked to supervise their children at these locations and to practice social distancing.

Please be aware of your surroundings and make smart choices.
