

Mechanic

The City of Altoona is seeking a qualified individual to serve as a Mechanic, working in the Public Works Department at the City's Highway Yard. The successful candidate will be instrumental in maintaining the vehicles and mechanical equipment of all City departments. Essential responsibilities will include testing, servicing and repairing vehicles and mechanical equipment; operating a variety of diagnostic instruments as well as hand, electric, and air-driven tools; repairing brakes, engines, electrical, fuel, hydraulic, transmission, ignition, air conditioning, exhaust, axel assemblies and related systems; conducting analyses and inspections of vehicles and mechanical systems; and performing state mandated vehicle inspections.

The successful applicant will have a minimum of three (3) years of experience in the repair and maintenance of equipment and vehicles and must possess a valid PA Class VII State Inspection License and valid state CDL license. Additionally, applicants must possess or be willing to obtain state emissions testing certification and own a set of mechanics tools.

Applications are available in the Human Resources Department of City Hall at 1301 12th Street, Suite 400, Altoona, PA 16601. Electronic applications are available on the City's website at www.altoonapa.gov within the "Employment Opportunities" Quick Link. Completed applications should be returned to the Human Resources Department at the address noted above. Inquiries regarding the position should be directed to (814) 949-2418.

The City of Altoona is an Equal Opportunity Employer
