Other Location Info

We welcome visitors to enjoy Downtown Altoona for the entire day! Our shops, restaurants, museums, and attractions will be open and many will be offering themed specials and activities for Big Boy visitors.

The pedestrian crossover bridges at 12th and 13th Streets will be temporarily cleared and closed at 12:45 p.m. and will re-open at 1:00 p.m. when wristbands will be distributed from both ends of each bridge. The wristband reserves your spot on the bridge and you are encouraged to leave and spend time exploring Downtown while waiting for the Big Boy's arrival.

Wristband holders can return to the bridges closer to the Big Boy's 5:15 expected arrival. This will allow us to keep a clear path for pedestrian traffic and reduce the risk of medical emergencies throughout the day.
